2. Key Job Portals & Websites

Portal Name	Website Link	Best For
Indeed India	https://in.indeed.com	Search for 'B.Tech Food Technology' or 'Quality Assurance'.
Naukri.com	https://www.naukri.com	Top platform for FMCG and production roles.

MoFPI Careers	https://www.mofpi.gov.in/en/careers	Government jobs and young professional schemes.
SimplyHired	https://www.simplyhired.co.in	Consolidated listings for food technologists and R&D.
LinkedIn Jobs	https://www.linkedin.com/jobs	Best for networking with HRs from Nestlé, Britannia, etc.

3. Application Strategy

- **Certifications:** Pursue FSSAI FoSTaC or HACCP certifications to stand out in Quality roles.
- **FSSAI/Government Roles:** Keep track of the Food Safety and Standards Authority of India (FSSAI) website for Technical Officer exams.
- **Direct Career Pages:** Check company websites directly (e.g., [Britannia Careers](#), [Nestlé Careers](#)).

Generated for Food Technology students. Update your resume to highlight processing, quality, and R&D internships.
